

Curriculum Vitae – Chiara Lisciandra

CURRENT POSITION	Assistant Professor (Tenure Track)
CONTACTS	Department of Economics, Econometrics and Finance Faculty of Economics and Business PO Box 800 9700 AV Groningen The Netherlands <i>Phone:</i> +31 (0)50 363 9222 <i>E-mail:</i> c.lisciandra@rug.nl <i>Website:</i> www.chiaralisciandra.com
EDUCATION	PhD in Philosophy, Tilburg University, The Netherlands, October 2013 Supervisors: Professor Stephan Hartmann and Professor Jan Sprenger Dissertation: “The Emergence of Norms in Society: A Philosophical Investigation” MSc in Philosophy (<i>summa cum laude</i>), University San Raffaele, February 2009 Supervisor: Professor Francesco Guala Dissertation: “Socionomics. The Philosophy and Economics of Social Relationships” Graduate Degree (Laurea specialistica) Core modules(MA): Epistemology, Social Sciences, Cognitive Sciences BA in Philosophy (<i>summa cum laude</i>), University of Milan, April 2006 Supervisor: Professor Clotilde Calabi Dissertation: “Cognitive Processes and Decisional Processes. The Debate between Daniel Dennett and Robert Kane” Undergraduate Degree (Laurea di primo livello) Core modules (BA): Analytic and Continental Philosophy, History of Philosophy, Classics Exchange Student, University of Freiburg, Germany, September 2004-September 2005 Core module: Philosophy of Cognitive Science
PREVIOUS POSITIONS	Postdoctoral Researcher, University of Helsinki, Finland Centre of Excellence in the Philosophy of the Social Sciences October 2013–November 2015 PhD Student, Tilburg University, The Netherlands Tilburg Center for Logic and Philosophy of Science September 2009–September 2012 Research Fellow, University of Munich, Germany Munich Center for Mathematical Philosophy October 2012–September 2013

PAPERS

- Why is behavioral game theory economists' game? The concept of beliefs in equilibrium. With Michiru Nagatsu. To appear in Egashira, Taishido, Hands and Mki (eds.) (2018) *A Genealogy of Self-interest in Economics (Springer)*.
- The Role of Psychology in Behavioral Economics: The Case of Social Preferences (Forthcoming). *Studies in History and Philosophy of Science*, part A.
- Hypothetical Models in Social Science (2017). With Alessandra Basso and Caterina Marchionni. *Springer Handbook of Model-Based Science*, edited by Lorenzo Magnani and Tommaso Bertolotti
- Robustness Analysis and Tractability in Modelling (2016). *European Journal for the Philosophy of Science*
- Why Are Descriptive Norms There? (2014). With Ryan Muldoon and Stephan Hartmann. *Synthese* 191: 4409-4429
- On the Emergence of Descriptive Norm (2014). With Ryan Muldoon, Cristina Bicchieri, Stephan Hartmann and Jan Sprenger. *Politics, Philosophy and Economics* 13: 3-22
- Disagreement Under the Veil of Ignorance (2014). With Mark Colyvan, Carlo Martini, Ryan Muldoon, Giacomo Sillari and Jan Sprenger. *Philosophical Studies* 170: 377-394
- Conformability. A Study on Group Conditioning of Normative Judgment (2013). With Matteo Colombo and Marie Nielsenova. *The Review of Philosophy and Psychology* 4: 751-764
- Pluralistic Ignorance: How an Unwanted Norm Can Emerge. With Ryan Muldoon and Stephan Hartmann. Working Paper.
- On the Introduction of Social Preferences in Behavioral Economics. Working Paper.
- Interdisciplinary Challenges in Behavioral Economics. Working Paper.

Edited Volumes and Special Issues:

- Knowledge Transfer and Its Context (In Preparation). *Studies in History and Philosophy of Science: Part A*. Ed. with C. Herfeld.
- Formal Epistemology Meets Experimental Philosophy (2013). *Synthese*, 190:8. Special issue ed. with S. Hartmann and E. Machery. With contributions by M. Colyvan. G. Devetag, H. Hosni and G. Sillari. J. Overton. M. Unterhuber and G. Schurz. A. Vallinder and Erik Olsson. Carl Wagner

Book Review:

- Robustness Analysis versus Reliable Process Reasoning. Review of Robert Hudson's *Seeing Things*. *The Philosophy of Reliable Observations* (2015). *Metascience* 24(1): 37-41
- Review of Floris Heukelom's *Behavioral Economics. A History*. Working Paper
- Review of Francesco Guala's *Institutions: A philosophical Study*. Working Paper.

Non-peer Reviewed Articles:

- Report of the European Philosophy of Science Association Conference, the Reasoner (2017) 11(10).
- Report of the Workshop: Interdisciplinary Perspectives on Behavioral Economics, the Reasoner (2017) 07(10).
- Report of the Workshop on Robustness Analysis that I organized at the University of Helsinki can be found *here*.

Media:

- *Blog entry* for the PPE Blog, University of Groningen, March 2017
- In September 2016, I was interviewed by the 3AM Magazine (2016). The interview can be found *here*.

FELLOWSHIPS AND AWARDS

I was the only recipient of the following grants:

- Visiting Fellow, Center for Excellence in The Philosophy of the Social Sciences, University of Helsinki, Finland, October 2017
- Visiting Fellow, Center for Excellence in The Philosophy of the Social Sciences, University of Helsinki, Finland, October 2016
- Visiting Fellow, Center for Advanced Studies, University of Munich, Germany, September 2015
- Visiting Student, Department of History and Philosophy of Science, Pittsburgh University, Spring Semester 2011-2012
- Travel Grant for the Conference Epistemology of Modeling and Simulation, Pittsburgh University, USA, April 2011
- Visiting Student, Jean Nicod Institute, École Normale Supérieure, Paris, France, Spring Semester 2008-2009
- Exchange Scholarship, University of Freiburg, Germany, September 2004-September 2005

ADDITIONAL TRAINING

- Laboratory on Agent-Based Modeling in Philosophy. 15-19 May, 2012. Spa, Belgium.
- Laboratory on Agent-Based Social Simulation. 21-25 February, 2011. University of Rome, La Sapienza, Italy.

TEACHING ACTIVITIES

At the University of Groningen, I teach and coordinate two of the largest courses of the Faculty of Economics and Business, with ± 500 students. The courses are Ethics in Business and Management and Ethics in International Business.

- In January 2017, I taught a module on Understanding Economic Models for the Philosophy Winter School on *Justice, Democracy and Rationality* at the University of Groningen
- In December 2016, I taught a Masterclass in Social Epistemology (with Miles MacLeod) at the University of Groningen

Before coming to Groningen, I taught the following courses:

- Social Norms in Philosophy, Economics and Psychology. Winter 2014, TINT Centre of Excellence in the Philosophy of the Social Sciences, University of Helsinki

- Social Norms and Epistemic Values. Summer 2014, TINT Centre of Excellence in the Philosophy of the Social Sciences, University of Helsinki
- Teaching Assistant: Causality and Explanation. Spring 2013, Munich Center for Mathematical Philosophy, University of Munich
- Teaching Assistant: Central Topics in the Philosophy of Science. Fall 2012, Munich Center for Mathematical Philosophy, University of Munich
- Teaching Assistant: Experts in a Complex Society, Spring 2010-Spring 2011, Department of Philosophy, Tilburg University
- Teaching Assistant: Rationality, Fall 2009, Department of Philosophy, Tilburg University

PHD
SUPERVISION

- Juliette De Wit, Faculty of Economics and Business, University of Groningen. On measurement of socio-economic constructs.

ORGANISATION
OF
SCIENTIFIC
MEETINGS

- Co-organizer (with Emrah Aydinonat and Uskali Mäki) of the Workshop “Multiple Models”, University of Helsinki, October 2-3, 2018.
- Co-organizer (with Catherine Herfeld and Carlo Martini) of the Conference “The Soul of Economics”, University of Zurich, September 2019.
- Organiser of the Workshop on Robustness Analysis, University of Helsinki, September 2014. See *here* for a report of the event.
- Co-organiser of the First Pittsburgh-Tilburg workshop on Formal Epistemology Meets Experimental Philosophy, Tilburg University (with Stephan Hartmann and Edouard Machery), September 2011
- Co-organiser of two days of lectures with Robert Sugden at Tilburg University (with Eric Pacuit), November 2010

REFEREEING
WORK

- European Journal for the Philosophy of Science
- Erkenntnis
- Journal of Economic Methodology
- Frontiers in Psychology
- Historical Social Research
- Synthese
- Conference *Objectivity in Science*. Tilburg Center for Logic and Philosophy of Science, April 2015
- Copenhagen-Lund Workshop in Social Epistemology. Lund University, 2011

SELECTED
TALKS AND
PRESENTATIONS

Why is behavioral game theory economists' game? The concept of beliefs in equilibrium.

- Invited Talk, Erasmus Institute for Philosophy and Economics, University of Rotterdam, October 2018

Multiple Models, One Explanation

- Workshop on Multiple Models, University of Helsinki, Finland, September 2018

- European Philosophy of Science Association (EPSA). University of Exeter, United Kingdom, September 2017
- Theoretical Philosophy Colloquium. University of Utrecht, The Netherlands, October 2017

Norms²: Norms about Norms

- Norms and Networks Cluster, Faculty of Behavioural and Social Science, University of Groningen, June 2018
- 4th International Conference in Economics and Philosophy, University of Lyon, France, June 2018
- Invited Talk, University of Zurich, Switzerland, May 2018

Interdisciplinary Challenges in Behavioral Economics

- Economics and/or psychology. Interdisciplinary perspectives on behavioural economics. University of Helsinki, Finland, May 2017

On The Introduction of Social Preferences in Behavioral Economics

- Invited Talk, Tilburg University, The Netherlands, March 2017
- Invited Talk, Bristol University, England, October 2016
- Invited Talk, University of Paris VIII, France, June 2016

Commentary 'On Fraud' by Liam Kofi Bright

- Formal Epistemology Workshop, University of Groningen, June 2016

Modelling Norms

- European Philosophy of Science Association (EPSA), University of Düsseldorf, Germany, September 2015

A Dispute between Disciplines: Norms in Economics and Psychology

- Studying Knowledge Transfer and its Contexts, Center for Advanced Studies, University of Munich, Germany, September 2015 (Invited)

Robustness Analysis and Tractability in Modelling

- Objectivity in Science. Tilburg Center for Logic and Philosophy of Science, The Netherlands, April 2015
- Philosophy of Science Association, University of Chicago, IL, November 2014
- British Society for the Philosophy of Science, Cambridge University, UK, July 2014
- Work in Progress Seminars. Munich Center for Mathematical Philosophy, University of Munich, Germany, July 2013

Disagreement Under the Veil of Ignorance

- International Conference. New Directions in the Philosophy of Science. Bertinoro Conference Centre, University of Bologna, October 2012

Conformorality. A study on Group Conditioning of Normative Judgment

- Philosophy, Politics and Economics Talk. University of Pennsylvania, USA, March 2012

- Rotterdam-Tilburg Workshop in Philosophy of Science. Tilburg University, The Netherlands, November 2011
- Workshop on Formal Epistemology Meets Experimental Philosophy. Tilburg University, The Netherlands, September 2011
- Workshop on Morality and the Cognitive Sciences. University of Latvia, Latvia, May 2011

Why Are Descriptive Norms There?

- Philosophy of Science Seminar at TINT. University of Helsinki, Finland, November 2013
- Workshop on Social Norms and Epistemic Values. Tilburg University, The Netherlands, October 2013
- Guest Lecture at University of Bamberg, Germany, July 2013
- Conference on Evolution, Co-operation and Rationality. Bristol University, United Kingdom, June 2011

Pluralistic Ignorance. How an Unwanted Norm Emerges

- Sawyer Seminar: Epistemic Value of Group Deliberation. Northwestern University. Chicago, USA, February 2014 (Invited)
- Work in Progress Seminars. Munich Center for Mathematical Philosophy, University of Munich, Germany, June 2012
- Copenhagen-Lund Workshop in Social Epistemology. Lund University, Sweden, December 2011

On the Emergence of Descriptive Norms

- Conference on Evolution, Co-operation and Rationality. Workshop on Social Norms. Bristol University, United Kingdom, February 2011 (Invited)
- Conference on Epistemology of Modeling & Simulation. University of Pittsburgh, USA, April 2011
- Conferenza Triennale della Società Italiana di Logica e Filosofia della Scienza. SILFS, Italian Society for Logic and Philosophy of Science, University of Bergamo, Italy, December 2010
- Workshop on Decision Games and Logic. IHPST, France, June 2010
- Workshop on Modeling in the Social and Behavioural Sciences I. IHPST, France, May 2010
- Philosophy of Science in a Forest. Internationale Schol voor Wijsbegeerte, Leusden, The Netherlands, May 2010
- 3rd Sydney-Tilburg Conference, The Future of Philosophy of Science. Tilburg University, The Netherlands, April 2010

Conferences Attended as Auditor:

- Just Playing? Toy Models in the Sciences. University of Munich, Germany, May 2015
- A Symposium in Honour of Theo Kuipers. University of Groningen, The Netherlands, February 2010
- Formal Model of Norms Change. University of Amsterdam, The Netherlands, January 2010
- European Philosophy of Science Association (EPSA). Vrije Universiteit, Amsterdam, The Netherlands, October 2009
- Evolution, Co-operation and Rationality. Bristol University, United Kingdom, September 2009

LANGUAGES Italian: Native speaker
English: Reading, writing and verbal skills: Fluent
German: Reading, writing and verbal skills: Proficient
Spanish: Reading, writing and verbal skills: Basic
